If you are returning to Florida with us:

Stenella is scheduled to return to Florida on Thursday of the week following your departure.

Typically we clear customs at about 9:00-9:30 am and are docked around 10:30 am. All passengers must de-board within an hour of arrival at the dock. PBIA is about a 20-minute taxi ride from the marina.

Returning Flights: Occasionally, we encounter delays when clearing customs and don't dock right at 10:00 am on Thursday. To ensure that you don't miss your flight, make sure that you **book your returning flight after 12:00 pm** to allow time to go through airport security and to avoid missing a flight due to any delay coming in from the Bahamas Thursday morning.
