Help name a dolphin in the upcoming field research season	Included	Included	Included	-	-
Private boat ride aboard R/V <i>Stenella</i>	6 people (date of choice)	6 people Sunday February 26th	4 people Sunday, February 26th	2 people Sunday, February 26th	-

This event will take place Saturday, February 25, 2023 at the Eissey Campus Theatre in Palm Beach Gardens featuring a presentation by New York Times best-selling author and host of PBS' Saving the Seas, Carl Safina and will be hosted by PBS NewsHour Correspondent and independent American broadcast Journalist, Miles O'Brien.

As a sponsor of Wild Ocean Science, you will receive optimal marketing opportunities across all audiences at our most popular and well attended event. With almost 8,000 followers on Facebook, 4,300+ on Instagram, and hundreds of subscribers on our YouTube channel, sponsors of Wild Ocean Science are sure to gain recognition on all social media platforms. Other incentives include a boat ride aboard our Research Vessel and the opportunity to help name a dolphin this upcoming field research season and more.

CARL SAFINA

New York Times best-selling author and host of PBS' "Saving the Seas"
